Day 1 (LD) MELBOURNE TO GEELONG Monday, 01 March 2027

Welcome to our **Q Train and Shipwreck Coast holiday**. We travel to Sorrento to take the ferry to Queenscliff. Upon arrival we make our way to Drysdale Railway Station to board Train. Our incredible train journey will take us to Queenscliff and back to Drysdale while treating us to an exceptional degustation of fresh local produce, all cooked and prepared onboard in the well-appointed kitchen car. Every day, the Head Chef and their team carefully choose top quality ingredients from local ethical and sustainable producers. This way the menu always reflects the very best of what the region has to offer, so expect fresh, delicious, seasonally changing menus. As the train whistle sounds the journey begins, travelling along the beautiful Bellarine Railway, offering views of the rolling hills of The Bellarine. One of the courses will be served soon after departure. The Q Train will pause at Suma Park Historic Homestead, with a chance to stretch your legs before travelling alongside beautiful Swan Bay where our main course will be served. These protected wetlands are abundant with birdlife and provides a lovely backdrop to our meal. Upon return to Drysdale Railway Station our coach will be waiting for us, and we head to the Jack Rabbit Vineyard with stunning views over the vineyards and on a clear day you can see as far as the You Yangs and Melbourne city skyscrapers. Here we enjoy a wine tasting before we travel to our overnight accommodation.

Day 2 (BLD) GEELONG TO WARRNAMBOOL Tuesday, 02 March 2027

This morning, we are introduced to Geelong by a local guide who will hop onboard the coach. After our tour we make our way to the Hastings Ostrich Farm in **Winchelsea**, where we encounter majestic, flightless ostriches weighing up to 180kg and laying eggs over 1.5kg. Our knowledgeable tour guide will answer all our questions we may have about these wonderfully prehistoric and unique birds. Making our way to Coragulac, we arrive at the doorstep of Coragulac House, also our **lunch** stop. Nestled beneath the Red Rock scenic lookout, this house stands as proof to pioneering pastoralists retaining its allure through generations of private ownership. We take a tour of the house, commencing with the grandeur of the six-metre cedar-panelled entrance hall.

This afternoon we visit Timboon Fine Ice Cream for a sundae school which includes a talk, demonstration and tastings. . Heading toward the coast, we arrive in Warrnambool, our home for the next three nights.

Day 3 (BLD) EXPLORE WARRNAMBOOL Wednesday, 03 March 2027

Our day begins with a guided tour of Warrnambool. Located on the spectacular Shipwreck Coast. Warrnambool is a region with a rich maritime history and is the final resting place of over 180 wrecks. Next, we visit the Warrnambool Botanic Garden. The gardens were planned by William Guilfoyle who later became a director of the Royal Botanic Gardens in Melbourne. In 1877 he designed an appropriate layout of sweeping lawns, long curving paths where the viewer can gaze into the distance. From here we head to Flagstaff Hill Maritime Village. Discover the captivating story of the local Little Penguin colony and the innovative use of Maremma dogs as guardians. Today we will have the chance to meet the Maremma dogs and to learn why Middle Island Maremmas are needed and their success at the role of penguin guardians. Relish a leisurely lunch before further exploring the Maritime Village, immersing ourselves in the authentic ambiance and activities of a late 1800s coastal port. Our final stop today is the Fletcher Jones Factory Gardens. Designed in 1948 by Sir Fletcher Jones' brother-in-law, these gardens envelop the former clothing factory, once a quarry site.

Day 4 (BL) PORTLAND & PORT FAIRY Thursday, 04 March 2027

After breakfast, we take a sightseeing drive through to Port Fairy. Here we meet a local guide who will enlighten us to the inside stories of Port Fairy before we follow the coast to Portland. Upon arrival we make our way to the Portland Cable Tram Depot for an inspection of the depot museum with all the fabulous vintage cars and memorabilia. We hop aboard for our tram tour which is one of the most scenic tram tracks in Australia. The track runs along Henty Beach, giving a close-up view of a working, natural deep-water harbour, before climbing to the cliff top giving panoramic views of the harbour and Portland Bay. It then passes alongside the historically significant 'ploughed field' on the way to the World War II Memorial Lookout Tower. After our tram tour we enjoy lunch here before our visit to the Maritime Discovery Centre.

The museum's permanent display documents the region's maritime history including whaling, shipwrecks and the local fishing industry. The centrepiece of the museum is the 1858 Portland lifeboat, famous for its role in the 'Admella' rescue of 1859. The lifeboat is one of the oldest remaining unrestored, intact vessels in Australia.
