Day 2 (BLD) CLARE TO FLINDERS RANGES Tuesday, 14 September

We are in for a special visit this morning as we head to **Bungaree Station**. Established in 1841, Bungaree Station became the headquarters of an extensive sheep station with a hundred thousand merino sheep by the 1880s. Today it is an efficient mixed farm run by the descendants of the original founder, G.C. Hawker. A member of the family will give us a wonderful insight into nineteenth century station life with guided tour, morning tea, and delicious lunch. After our station experience, we continue north to our next two night's accommodation at **Wilpena Pound**, in the Southern Flinders Ranges. Wilpena Pound is a natural amphitheatre 17km long and 7km wide shaped by the weathering and uplifting of land over time.

Day 3 (BLD) WILPENA POUND Wednesday, 15 September

This morning a local guide joins us for an insider's tour of this stunning National Park. The Flinders Ranges are well known for their wildflowers but it's the dramatic gorges and spectacular peaks that are the real highlights of this beautiful part of Australia. We'll stop at a lookout for stunning vistas, a good opportunity for a group photo, and visit some of the gorges (*subject to weather and road conditions*). We enjoy our packed lunch along the way and return to **Wilpena Pound** mid-afternoon. Before dinner we enjoy pre-dinner drinks and nibbles at the Yarning Circle, a unique outdoor gathering place inspired by the Aboriginal tradition of sharing stories and connecting with Country. Relax with fellow travellers while taking in the magnificent scenery of Ikara-Flinders Ranges before dinner.

Day 4 (BLD) WILPENA POUND TO ARKARoola Thursday, 16 September

We enjoy a leisurely breakfast this morning before we begin our touring. The Northern Flinders are not as well-known and are a little more difficult to get to than Wilpena Pound - but the effort is well worth it! We travel north out of the Flinders Ranges National Park to Blinman, where we stop for an early **lunch**. From here we make our way via Chambers Gorge to Balcanoona. Later this afternoon we arrive at **Arkaroola** in the Gammon Ranges National Park. Largely unknown,
